**The Lodge at Moosehead Lake Awarded
One of the World's Top Adventure Lodge Resorts by Away.com**

Greenville, ME August 31, 2009 – The Lodge at Moosehead Lake was awarded one of the **World's Best Adventure Lodges** by Away.com, the Web's best travel and vacation-planning resource. The Lodge was reviewed by [Heather Hansen](#) and [Kim Lisagor](#), veteran adventure-travel writers (both *Outside* and *Men's Journal* contributors) as well as the skilled editorial staff of away.com which has over ten years in adventure travel experience.

For the past 12 months, Alistair Wearmount, Senior Editor of the [Away.com](#) Network, has been neck-deep in one of the toughest assignments a travel editor can expect:

Scouring the globe for the world's best destination resorts and lodges. "I know, it's a hard job gazing at images of unspoiled, faraway places, but I wasn't alone for my journey. We assigned a crack squad of travel writers with clips in publications including *National Geographic Adventure*, *Travel+Leisure*, and *Lonely*

Planet Travel Guides and Travel Information to track down the cream of the crop, including their selections for the best family resorts, beach resorts, national park lodges, all-inclusive resorts, adventure lodges and five other distinct travel categories. One year later, with my list of must-visit places in a state of morbid obesity, we're excited to announce the launch of Away.com's new **[Resorts & Lodges Guide](#)**, featuring 200 of the world's ultimate destination-resort experiences. If you're looking for inspiration about where to stay next, this is the place to start." stated Alistair Wearmount.
