Top 10 Reasons for Visiting the Lodge at Moosehead Lake

Greenville, ME March, 2009 – The top 10 list is not left to David Letterman alone. Here are the top 10 reasons vacationers choose the Lodge at Moosehead Lake for their retreat hideaway.

10. **Cookies in the Guest Pantry** - You'll feel like you're raiding Grandma's cookie jar.
9. **Chloe** – Left your furry loved-one at home? Chloe, the Lodge French bulldog, will play, cuddle, nap on your lap or let you rub her anytime. That's why she's the VP of Guest Relations.
8. **Relaxation** – Choose your favorite way to relax.....the peaceful solitude and amenities of the Lodge against a spectacular lake and mountain backdrop or immerse yourself in challenging, year-around, outdoor activities.
7. **Spa Services** – Enjoy the panoramic views and luxury amenities of the Mt. Kineo suite while you renew your body and spirit.
6. **Activities** – Be spontaneous or plan ahead....the Lodge staff will help you experience hiking, seaplane rides, canoe trips, snowmobiling, dog sledding, snowshoeing, bird watching, boat cruises, fly fishing or just gazing at the stars on a crystal clear night with your favorite refreshment.
5. **Up North Cuisine** - A source of comfort....hot, hearty and filling.....especially prepared to satisfy the most discerning tastes. The Lodge features delicacies from Maine served in a casual, rustic, yet upscale environment.
4. **Moose Safari** – Take a private trip that almost promises to find moose with a lighthearted Maine guide and jokes only he could get away with. If you are a New York Yankee baseball fan, you might not want to mention it until you have seen at least one moose!
3. **A Slower Pace** – The Lodge offers a unique combination of north woods simplicity and comfort that rarely fails to "slow things down" for even our most harried and stressed guests. You will not find a phone in your room and cell phone coverage is just unreliable enough to give you a legitimate "didn't get your call" excuse.

2. **Rooms and Beds** – Each room is uniquely decorated in a rustic, sophisticated style with unbelievable attention to detail....and if guests rave about anything more often than the views it has to be the beds. We dare you to snuggle in and not sleep well.
1. **Breathtaking Views** – Mother Nature simply doesn't do it better than this! The views change continually with each season challenging the last for the title of "most spectacular". Choose your favorite.....blue lake and lingering summer sunsets with hues of orange and red.....fall foliage so brightly colored that it seems to glow.....snow clinging to the spruce trees and shimmering in the early morning sun like diamonds.....or the emerging leaves, wild flowers and pine scented air of spring.
